

**PIERCE FAMILY FARM**  
COMMUNITY-SUPPORTED AGRICULTURE

ABOUT THE FARM:

Pierce Family Farm has been growing organic vegetables in Orleans since 1978. The Pierce's grow a variety of vegetables from arugula to zucchini. Your family can purchase Pierce's produce at Farmers' Markets, local grocers, restaurants, and now as CSA shareholders!

ABOUT THE CSA PROGRAM:

- Community-Supported Agriculture (CSA) is a partnership between a farmer and "shareholders" who pay up front for a portion of the season's harvest. The money goes to the farmer to buy seeds, tools, etc - then shareholders receive regular shares of food.
- Pierce Family Farm will deliver a box of fresh-picked organic produce for shareholders each week. A share is a good amount for a family (2-4 people).
- The weekly pickups will run from July 9 until October 22 (16 weeks).
- You pick up your produce each week on Wednesday at a location TBD in central Eureka or Arcata. Any shares not collected within 24 hours will be given away.

REGISTRATION INFORMATION:

- Shares cost \$320-\$350 sliding scale for 16 weeks of produce pickups (accepting up to \$10 Community Currency per share).
- Sliding scale means that you decide what you can afford based on your income.
- A \$50 deposit is required to secure a spot. Full payment is due by July 1, 2008.
- Custom payment plans are available pending prior agreement with Pierce Family Farm.
- Please complete the form below and make checks payable to "Pierce Family Farm".
