

Yes! I would like to become a member of Democracy Unlimited!

Democracy Unlimited is possible because of donations from people like you. We don't accept any corporate or government funding. Please make a contribution to further our work for democracy.

Members receive a Membership Card that entitles you to a 10% discount off our events and resources (books, pamphlets, t-shirts & more), regular updates about our activities, free admission to one DUHC workshop a year, free access to our lending library (non-members pay a \$10 annual fee), and a "Corporate Rule Out of Humboldt County" bumpersticker!
Monthly sustainers receive all of the above and a DUHC T-Shirt!

Local members also receive a gift of Community Currency which can be spent in Humboldt County. It is our gift to you so that you can begin participating in this fabulous project.

With a minimum annual donation of \$25 (\$15 low income) you can become a DUHC member.
